METERED & STREET PARKING

There is plentiful metered and non-metered parking on the street in front of the Conservatory as well as our surrounding neighborhoods. Yet these spots can fill up fast, so if you don't have luck finding a spot, here are two areas to check out.

All meters in Pearl River take quarters (25¢ p/hour). Metered spots are free after 6:00 pm.

NEIGHBORING COMPANIES & COMMUTER LOT

MEHL ELECTRIC, directly across the street from RCM, is kind enough to let us park in their lot after 5:30 pm on weekdays, and any time over the weekend.

Please DO NOT park here during work hours. MEHL has employees & trucks who must enter and exit at all times. Thanks!

On weekends, the COMMUTER LOT directly behind the school has lots of spaces, especially for Saturday students. Feel free to enter through our back door when you park here.

DON'T GET TOWED!

Never park at the Pearl River Post Office or in the driveway next door. You will get towed.

Parkopedia.com is a good website to find parking in any area.

Orangetown.com/parking-and-meter-regulations/ is also pretty helpful.
